Inventory of goods to be sold attached to this application, including:

- 1. Itemized list of goods to be sold, described with make and brand name, if any. The itemization should provide for clear identification.
- 2. Separate list of goods, purchased 60 days or less immediately prior to the date of this application.
- 3. Cost price of each item, name and address of the source, date of purchase and delivery date and the total value of inventory at cost.

NOTE: A copy of this application, including the inventory submitted with this application must be posted in a conspicuous place in the sales room or place where the inventoried goods are to be sold. This inventory need not show the cost prices. The license certificate must be attached to the front door and clearly visible from the street. Any advertisement or announcement published in connection with the sale shall conspicuously show the license number and date of expiration.

By virtue of this application, the applicant hereby warrants and represents that no goods will be added to the inventory, including goods received on consignment, after the application is made or during the sale.

I understand that a false statement on this application may result in either a denial of this application or subsequent revocation if the license is granted.
